## GREAT ENTHUSIASM OVER THE TOURNEY

GOLDFIELD COMING OVER TO SEE WRESTLING AND BOXING CONTESTS.

Harry R. Grier, president of the Business Men's Athletic club, returned from Goldfield today and states the wrestling and boxing fans of that town are all enthused over the big boxing and wrestling matches which are to be staged at the Airdome in this city on the night of February 12, the headliner of which is the wrestling match between William Berne, the Russian Lion, and Victor Ajax, the Mighty Frenchman, and one of the largest crowds ever in attendance from the gold camp will be on hand to witness the contests.

Ajax has been working hard to get himself in condition and he worked out yesterday afternoon before a big crowd at the Northern saloon, with Pine, the Arizona wrestler, as a partner.

William Berne, the Russian Lion, who is conditioning himself at the Olympic club in San Francisco for his matches with Ajax and Theophilus, the Terrible Greek, both of which will be staged at the Airdome in this city, writes that he is fast rounding into fine shape and expects to leave for Tonopah on February 5. Berne states he has been promised a match in March with Ad Santel by Promoter Schuler of the Bay City and that the wrestling game has taken on a great revival on the coast, and that the promoters are staging the first of a series of big matches at Dreamland rink on Friday night of this week between Romanoff and The Jap.

In addition to the big wrestling match the Business Men's club has arranged two corking boxing bouts for February 12, the first a 4-round affair between Kid Sullivan and Fighting Trout of Tonopah, and as both these boys are clever with their dukes a fine curtain-raiser is sure to result. The second is a 6-round semi-final between Johnny Morrison, the popular Goldfield fighter, and Kid Neil of Salt Lake City, who is considered one of the best boxers ever turned out of the Mormon city.

In addition to the ring events the management has arranged with Jack Minick of the Northern cabaret for his quintette of singers and dancers, and as these girls are all clever and up to the minute on the latest songs and dances a pleasing addition to the evening's entertainment is promised, as they will entertain before and between the various bouts of the evening.

The advance sale of seats for Tonopah was placed at the Cobweb, Drysdale's, Tonopah Club, Tonopah Liquor company, Mizpah hotel bar, the Northern and Big Casino today, and first come first served will be the motto for the choice ringside seats, so get busy and make your reservation early.

## WHITE PINE PIONEER DIES.

Richard A. Reipe, for many years a resident of White Pine county and known throughout Nevada, died recently at his home in Fruitvale, Cal., after an illness of several weeks. He was born in Germany and was 69 years of age. While Ely was still a struggling mining camp Reipe moved there from Lincoln county and opened a hotel. He became interested in mining and was a firm believer in the future of the Ely district at a time when prospects were anything but bright. When the boom finally struck Ely he disposed of his mining property at good figures, but retained property in the town to the time of his death.

Why not drop us a line and see what the producer will do for you. Good chicks from best of breeding stock, well hatched, carefully shipped, safe arrival guaranteed and prices that are right. R. I. Reds, Barred and White Rocks, Black Minorcas, White and Brown Leghorns. Full particulars in circular free. The Mission Hatchery, Box 11, Campbell, Cal.

## WRONG MAN IN THE TOILS OF THE LAW

F. MILLER ARRESTED THROUGH THE ERROR OF CONSTABLE AT HAZEN.

F. Miller, a well known Tonopah and a man of considerable means, at least sufficient to get him by, as the expression goes, was taken off train No. 23 at Hazen by Constable Arthur Pyle, who had received a telegraphed description of Carl E. Austerman, alias C. E. Hefner, who was wanted for forging and negotiating a number of checks on the White Caps Mining company.

Mr. Miller naturally protested against the indignity, but the Hazen officer said: "You come with me, for you answer the description, all except height, weight, clothes, hair and color of the eyes. Yes, you're the fellow all right. Come on over to the calaboose."

The prisoner took one look and sniff at the jail in the junction metropolis and said that if the \$400 cash he had in his possession at the time would permit him to sleep in the hotel that night he would willingly put up the bail. It was accepted. Officer James Hayward arrived in Hazen and saw at once that a mistake had been made, but Miller insisted that he go back with him so that he could prove that he was not the person wanted. Today he is getting a lot of good-natured joshing from his many friends.

## REPRISALS ON RUMANIA

(Continued From Page One.)

grad says on the authority of the commissioner of national affairs that the commissioners will not negotiate further with the Ukrainian rada and that nothing remains but a relentless struggle until victory has been obtained by the Ukrainian workmen's and soldiers' deputies. The Bourgeois rule of Ukraine, continued the commissioner, must be completely liquidated and replaced by a new Socialist rada, the basis of which already has been formed at Kharkov.

Almost three-quarters of the German troops have been withdrawn from the Russian front, according to the newspapers. No heavy guns or armored cars are left, while the number of light guns has been greatly reduced. Young soldiers are being removed daily and their places are being taken by old men and semi-invalids. The German northern front is strongest. There are no Germans on the southern front, and although the Austrians there have not been reduced, their heavy artillery has been withdrawn.

The Petrograd correspondent of the London Times, referring to the civil war in Finland, says that Sweden's assistance seems to have been asked by the Finnish senate, and adds that doubtless many Finns, or at least Finnish Swedes would welcome the intervention of Sweden. An evening paper announces the arrival of Swedish troops at Horema and says that the clash has already occurred between an advanced guard of Swedes and the Finnish Red Guards.

A Stockholm dispatch to the Post says that the Swedish government on Friday decided to propose that Norway and Denmark invite Finland to co-operate with three Scandinavian countries regarding executive questions.
